

We Make Our Case to the State Delegates

Last night, the Crossing Georgia committee made its case before the Maryland state delegates, in a well-coordinated presentation in which we outnumbered the ICC and the Purple Line forces combined!

The delegates heard the plight of our commuters as 11 "diggers" described the horrors of the Georgia Ave. / Forest Glen Road intersection. People congregated outside the auditorium as watched our 3-minute video on the problem. Resident Doug Goldenberg-Hart, Eileen Cahill of Holy Cross, and FECA President Shawn-Marie Jarosz testify at the hearing. Delegates Jane Lawton, Jeff Waldstreicher and Ana Sol Gutierrez view the Crossing Georgia video.
